

In Honor of celebrating Hispanic Heritage Month we would like the students to dress in the colors that represent the flag of a Hispanic Country!

It can be traditional attire or just the colors that represent any Hispanic flag.

Students are welcomed to bring in flags, instruments, books, pictures, or a traditional dish from the country they are representing. Family members who are willing to sing, dance, perform or even read a story in Spanish to the class are also welcomed to join in this celebration.
